Ms. Archana Patel
Life Balance Power

Dear Archana:

I am so glad that I attended your PowerCore meeting the day you offered a special 8 week coaching session for relieving stress during the holiday season. My business is always coming to a peak toward the end of the year and with your help, I was able to keep my business running smoothly while enjoying the season and taking a few days off to celebrate.

Your coaching has opened up such amazing opportunities for me. I have learned how to visualize and actualize each commercial real estate deal that I am working on. I have discovered new ways to reduce the anxiety and stress that occurs when things don't appear to be moving in the right direction. With all of the tools that you have shared with me, I am prepared to enjoy the best year of my commercial real estate career.

Thanks especially for helping me discover my win-win-win strategy -- a win for my clients, the landlords and Donaldson Realty, Inc. My change in attitude has attracted six new clients over these past 8 weeks. Your guidance has really set me on the path to success. I will not hesitate to recommend you to any entrepreneur who feels stuck in their business.

I am looking forward to our continued work together to make 2015 a wonderful year full of inspiration and fulfilling goals.

Sincerely,

Nance S. Donaldson, CCIM
